Mark would like to thank Erica and Anne for their courage and vision to  
present this work in San Diego, to the UCSD Dance Department for their  
spacious rehearsal studio, Lynn Susholtz for her beautiful  
accommodations, and the 14 performers for carving out so much time to  
devote to this project and the love they have given it.

A special thank you to Os Aponte and Wayne Gehman for their support,  
time, dedication, help, trust, love, understanding, and patience. We  
couldn't have done it without you! Also, a huge thank you to Maria Juan,  
co-founder of youTurn, for her help with the website, flyers, posters, and  
answering lots of questions we had along the way. We miss you.
