*This program is dedicated to the memory of Martha Longenecker.*

# COFFEE CANTATA

## Recitative:

Dear Father, please don't be so hard on me!  
If I can't have my little cup of coffee three times a day,  
My misery will dry me up like a piece of roast goat.

## Aria 1:

Lovelier than a thousand kisses.  
Ah! How sweet coffee tastes!  
Smoother than Muscat wine.  
Coffee, coffee... I must have it!  
And if anyone wishes to treat me,  
Ah! just give me some coffee!

## Aria 2:

This very day, dear father, do it now!  
Ah, a husband! That is truly right for me!

If only it could happen soon...  
So that at last, instead of coffee –  
Before I go to bed –  
I could get a lusty lover!

*Program inserts are underwritten in loving memory of Freddie Evarkiou  
who always had a song in his heart and a twinkle in his eye.*
