

THE CONS

The Pig In A Poke
The Glim-Dropper
The Money Swap
The High Yield Investment
Email Fraud
The Round-The-Corner

Use 'em as you will.

The golden rule of the grift: know your mark.

The only truly successful con is one in which everyone gets what he wants, the grifter and the mark.

A grifter is, above all, a highly gifted liar.

Special thanks to the Diabolical Muse: inspiration can come from many places.

Special thanks to our historical Bens: Oliver and Theodore Gittings and Sean Paul Boyd.
